Can Be Yours for \$0-\$500 **** Write an Essay & Apply

Pepsi is a one-of-a-kind filly for our program. Her dam, Leos San Ella JB aka Pepper, is our only APHA broodmare. Unfortunately, her sire, JK Jay Reed is not approved by APHA as a sire due to a long ago glitch. Had we known, we would not have bred Pepper to him. Pepsi will NOT be registered. Regardless, she is a top-notch filly from very proven bloodlines and using ranch horses. She has a crazy white face, a right front white ankle and her right eye is the characteristic APHA blue. She will be a very eye-catching and unique individual, will mature around 15-1 or 15-3 and will be built stout and solid with a shot of speed and cow instinct.

Our family has a long of history of 'giving away a little'. Pepsi will be either free or greatly discounted to the right individual/family. Adults & anyone can apply. Special considerations will be given to 4-H, FFA & College Equine Students!

DEADLINE JULY 31, 2010

EMAIL ESSAY AND INCLUDE:

*Why you'd like her
*Where you live

Label you email 'Pepsi' *** We will email back that essay was received.
